Description:

This large villa offers a perfect blend of luxury and practicality, nestled in the beautiful suburb of Souni near Limassol.

It boasts 6 spacious bedrooms and 4 bathrooms, ensuring ample space for family and guests. The property features two garages for up to 4 cars, a private pool, its own water source, and a robust solar panel system for energy efficiency.

The villa is fully insulated with a special German system called Multipor, along with other energy-saving features like ventilated windows and underfloor heating. Outside, there's a well-kept outdoor area with a saltwater pool and Jacuzzi for relaxation.

Inside, you'll find high-quality amenities like a Smart Home system and top-of-the-line air conditioning. Situated on a vast 1500 square meter plot of land, this villa also includes extra rooms such as an office and a space that could be converted into a home theater or gym.
