Description:

Offered for sale is a well-proportioned three-bedroom home designed for comfortable, modern living, with excellent indoor-outdoor flow and practical features that suit both family life and long-term value.

The property sits on a 249 sq.m. plot and provides a total built area of 148 sq.m., including 125 sq.m. of covered internal space. Outdoor living is a real highlight, with 23 sq.m. of covered verandas and an additional 2 sq.m. of uncovered veranda space—ideal for dining, relaxing, and enjoying the open air in every season. A private courtyard adds extra flexibility for entertaining, children's play, or a low-maintenance garden setup.

Inside, the layout is functional and comfortable: three bedrooms with built-in wardrobes, two bathrooms including a master en-suite, and a separate guest toilet. The kitchen is fitted for everyday convenience, complemented by a dishwasher and good storage. Year-round comfort is ensured with air conditioning, electric heating, and aluminum thermal insulation, while a solar system and water tank support efficient daily operation.

Parking is well covered with a 20 sq.m. covered parking space, plus additional uncovered parking. Internet readiness is in place, making the home equally suitable for remote work or a connected household.

Delivery is scheduled for 2027, offering the advantage of securing a modern home with contemporary specifications and finishes.
