**Description:**

---

Offered for sale is a 5/12 undivided share of a large land parcel measuring 17,057 sq.m, corresponding to approximately 7,017 sq.m of land attributed to the seller's portion. A distribution agreement has already been signed with the neighboring owners, providing a clear framework for the use and allocation of the respective parts of the property.

The land benefits from a 40% building density, making it a strong option for a residential development or an investment project with solid development potential. The property is positioned directly adjacent to an established large-scale development project, enhancing its long-term prospects and appeal.
