Description:

A beautifully designed studio apartment offering 38 sq.m of internal space complemented by a generous 10 sq.m veranda—ideal for relaxed outdoor dining, morning coffee, or simply extending your living area.

The home sits within a modern residential building distinguished by bold architectural lines and landscaped balconies, creating a calm, contemporary feel from the moment you arrive. The interior concept is clean and functional, with a strong emphasis on comfort and quality: thoughtful layout, modern finishes, and a bright, airy atmosphere designed for easy everyday living.

Key highlights include high construction standards and energy efficiency, with additional features showcased for the development such as concealed fittings, a split A/C system, and minimalist detailing that keeps the space feeling sleek and uncluttered.
