Description:

This custom built modern villa was finalized in 2010 and was built with attention for detail and with the best materials. It has a plot of 525 sq m and 480 sq m covered areas. Outside there is an overflow swimming pool with BBQ place, traditional oven and bar/lounge area. Inside, at the ground floor there are big living areas, dining room, fully equipped separate kitchen with kitchenette, a guest WC, laundry room, an office, and a play room with WC. At the upper floor there are 4 spacious bedrooms, the 2 with ensuite and walk in wardrobes. Also there is a main bathroom with Jacuzzi and a second laundry room. At the basement there is a maids room with WC and shower. The Villa has full AC, underfloor diesel central heating, water pit for the swimming pool, fireplace garage and many extras.
