**The Location (Ayia Napa - Sotira)**

Situated on the outskirts of Sotira, this development enjoys an elevated position with sea views, just five minutes from Ayia Thekla Beach and Paralimni.

Sotira offers a taste of authentic Cypriot life, with some of the island's finest traditional taverns. Nature lovers can explore the nearby Ayios Antonios park, home to a Byzantine chapel and stunning sea views.

Additionally, the local municipality has submitted plans to transform the seafront zone, stretching from Ayia Napa Marina to Potamos National Park. The proposed upgrades include a coastal footpath, landscaped gardens, parking areas, beaches, and piers. Potamos National Park, currently

under construction, will feature riverbank landscaping, nature trails, a museum, and recreational facilities—making the area one of the most desirable locations on the island.

With easy access to amenities, just minutes from Ayia Napa’s white sandy beaches and 30 minutes from Larnaca International Airport, this development is ideal for both permanent living and holiday homes.
