Property features:Residential Land Title Deeds

Description:

Residential Land in Dromolaxia for sale

Residential land ideally situated in Dromolaxia, within close proximity to the community center and all essential amenities. The property enjoys a convenient location in a well-established residential area, offering easy access to shops, schools, services, and the main road network.

Its strategic position combines the tranquility of a residential neighborhood with the advantage of being just minutes away from the heart of the community and a short drive from Larnaca city and the airport.

The land presents an excellent opportunity for residential development, making it ideal for the construction of a private residence or as an investment in a growing and sought-after area.
