The private International School of Pafos, which has an excellent reputation, is close at hand.

The villas will meet your highest expectations in respect of construction and high quality fittings are standard. At the early stage of construction you will be able to choose tiles, kitchen cabinets and other fittings to suit your own taste. A swimming pool is optional. The roof terraces offer another outdoor living space for your family to enjoy the panoramic views of the coastline and Cyprus. Villas are characterised by the modern functional architecture with attention to every small detail. Glass balustrades are fitted on verandas to enhance the dramatic views of the Mediterranean coastline and magnificent Cyprus sunsets. The use of the natural stone and wooden fascia gives feeling of closeness with the nature and adds an element of warmth. These elegant homes have all the hallmarks of state-of-the-art design, comfort and luxury, while retaining a feeling of family-friendliness.

Konia Village has an established and friendly community and is very popular with more affluent Cypriots. It is only 5 minute drive to Pafos and a 10 minute drive to the Airport via the main motor- way that runs across the island.
