Description:

The new complex of ten three-bedroom townhouses is located in the green zone of the prestigious coastal area of Potamos Germasogeia, just a short walk from the Mediterranean coast and urban infrastructure. The elegant design of the townhouses includes a three-story living space, premium finishing materials, landscaped verandas, as well as a private plot of land with a garden. The complex provides a communal pool with terraces for relaxation, which ideally complements the infrastructure for a comfortable life in the city.

Each of the ten maisonettes has 3 levels. On the first floor, there is an entrance hall, a guest bathroom, and a spacious living room combined with an open kitchen. Large panoramic windows in the living room give access to a private terrace with a small garden. On the second floor, there are 2 bedrooms with built-in wardrobes, and one bathroom with a bathtub. One of the bedrooms has a small balcony. On the third floor, there is a separate bedroom with a bathroom and a large open balcony.

On the territory of the complex, there is a swimming pool with terraces for relaxation, where there are sun loungers and you can use the place for a barbecue. The controlled entrance provides access to the complex residents' parking.
