Souni is a well-known area for its harmonious coexistence of its countryside nature enjoyment, as well as the facilities of Limassol, which can be reached within only 10-15 minutes drive, providing the amenities of city life such as shopping, cultural activities, nightlife entertainment and fine restaurants.

The micro-climate of the place has its huge advantages for the healthy living: Souni doesn't have the humidity of the coast, the air is all year around saturated with pine-trees' phytocides - biologically active substances that have properties to destroy pathogen and improve the immune, nervous, metabolic, cardiovascular system, indispensable for asthmatics, allergic and smokers.

The location allows to be spontaneous and enjoy life in Cyprus to its full - the sandy beaches of Curium, Akrotitri and Pissouri for swimming, sunbathing and relaxation are only a 10-minute drive away, and in a 30-minute drive you can reach Troodos Mountains for skiing and long forest walks. On the way to Troodos Mountain, one can visit small wine villages where excellent wineries are public open for wine tasting and purchasing. For the Golf lovers, two major golf resorts are in 20-minute drive and the golf resort of Agios Ambrosios which is being developed is only in a 10-minute drive away. Very near to Souni, you can visit the ancient monuments of Curium Amphitheatre and Kolossi Castle, which are of a great archeological value and special mythical aura. The motorway provides a fast and easy access to Pafos airport.
