**Description:**

This complex of 15 exclusive villas is set 50m above sea level offering panoramic views of the cosmopolitan seafront of Amathunta, the picturesque marina of St. Raphael and the city of Limassol. The project falls under the administration of Pareklisia, part of the municipality of Limassol and it is located close to the highway linking the 4 towns of Nicosia, Limassol, Larnaca and Paphos. The antiquities of Ancient Amathunta are just a short distance away (1 km) and Limassol's sandy beaches are a mere 500m away. Savour a leisurely coffee in one of the surrounding quaint villages and in the evening, the cosmopolitan restaurants and clubs of Limassol can be found just 300m away.

Each villa is characterised by a modern interior and consists of four bedrooms, a loft, a semi-basement with gym and sauna and private garden, swimming pool and parking space. All villas are equipped with innovative, intelligent systems and the latest environmentally friendly technology. Each villa is delivered with furniture, electrical appliances, Jacuzzi, elevator and sauna. Also there will be the Intelligent home systems: Through your phone and ipad you can control and see through the security cameras, control lighting, climate control, heating, boiler and roller blinds.

With a unique character, privileged location, views of the vast blue sea, superior architectural design and innovative technology, this is the ideal investment for the discerning buyer who dreams of a better quality of life in paradise!
