Description:

This 3-bedroom, 3-bathroom villa is meticulously designed to offer maximum space and comfort, with breathtaking views of the city and coastline from every vantage point.

Situated on a 246 sqm plot, the villa offers 133 sqm of internal area, complemented by an 8 sqm covered balcony, a 14 sqm covered garage, a 12 sqm uncovered garage, 58 sqm of uncovered verandas, and a stunning 39 sqm roof garden. This total 194 sqm covered area makes this an impressive and spacious residence that effortlessly marries indoor and outdoor living.

Designed with cutting-edge architecture, the villa's white exteriors, wooden levers, and stone panelling beautifully blend with the natural surroundings and create an ambience of carefree island living. The interiors promise world-class elegance and premium quality. The open-plan kitchen and dining area, fitted with suspended ceilings and high-quality Spanish or Italian tiles, seamlessly flow out onto the front garden and veranda, inviting an abundance of natural light.

This home is built for the future, with a high energy efficiency rating, thermally insulated walls and roofs, and provisions for solar panels. Smart home features, VRV underfloor heating, and air conditioning throughout ensure modern, effortless, and eco-friendly living.

High-end finish Italian kitchens with granite countertops, soft-close drawers, and high-quality
