Description:

The office on the 1st floor is 136 m² and consists of a spacious main room, three separate offices, one toilet and a small kitchen.

The office on the 2nd floor is also 136 m² and consists of a spacious main room, two separate offices, one toilet, laminate floor, big windows and a/c.

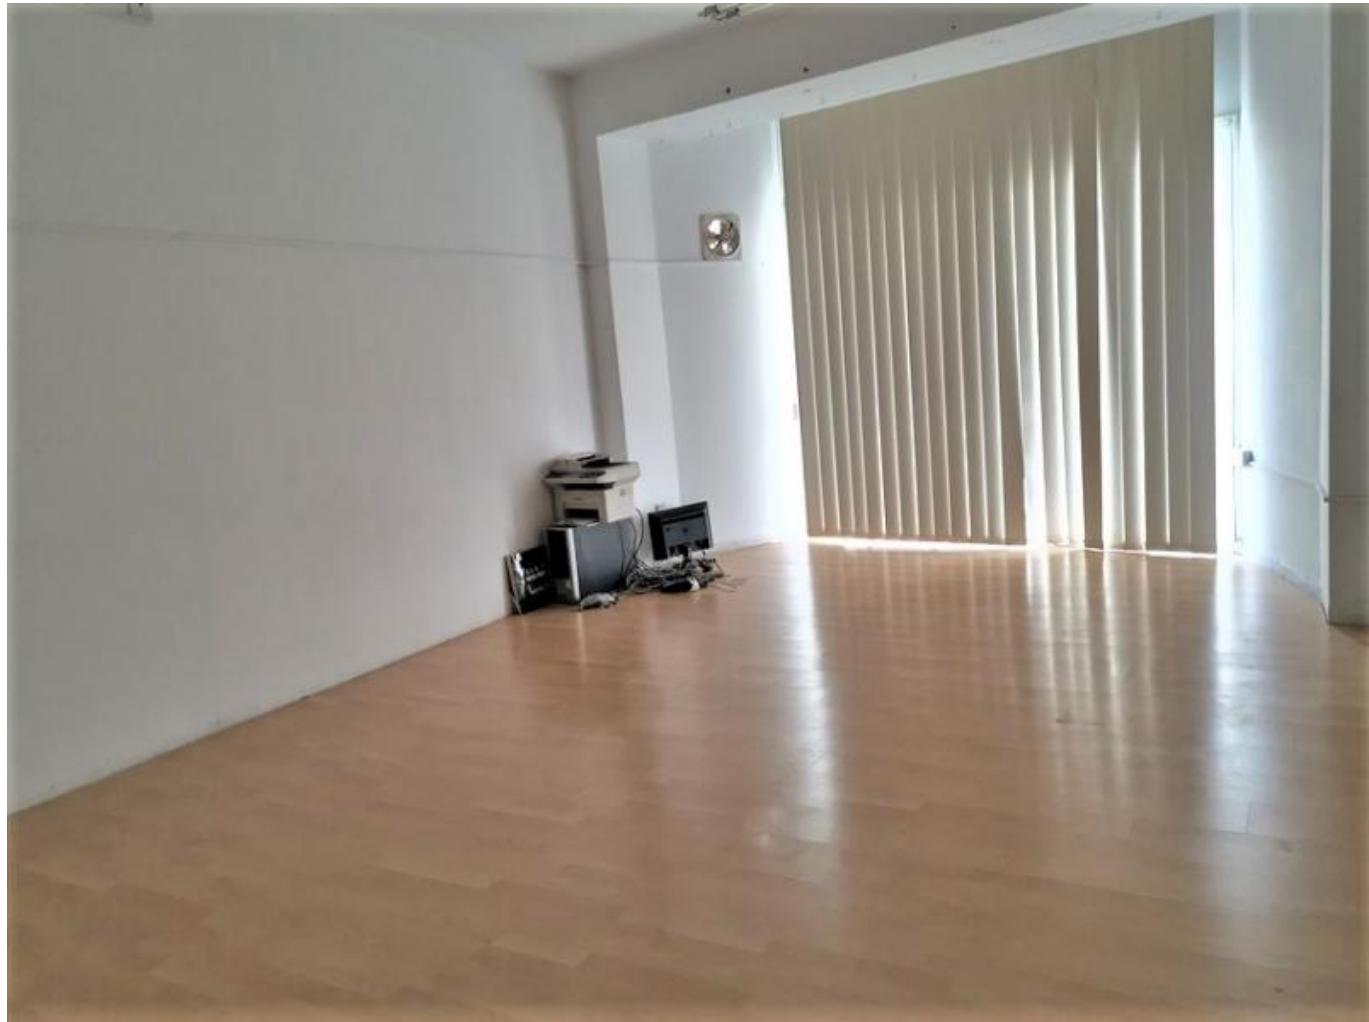

Suitable for becoming a doctor's office / clinic or any other business.

The monthly rental fee is 2750 Euro with required two months deposit and one month's payment.

If there is a long-term rental plan for the offices and considering they need some renovation and there are no lift, if the tenant is willing to pay for the installation of a lift, the owner is willing to reduce the rental price to 750 euro per month for the first two years. For the remaining three years, the monthly rental price will be increased 500 Euro every year i.e. 1250 Euro for the 1st year, 1750 for the 2nd year and 2250 Euro for the third year.
