Each apartment is designed and positioned in such a way as to allow unobstructed views of the surrounding large open spaces, which feature a wealth of greenery and the ancient ruins of Amathounta nearby. Just beyond, the azure blue waters of the Mediterranean Sea sparkle within view, visible through the large windows and ample balconies, which stream in an abundance of natural light.

The internal area of the residences varies from 226.70 to 245.20 m², the total area varies from 412.26 to 528.00 m² including roof terraces.

Ensuring utmost privacy and convenience, the project's apartments are securely gated and accessible from two separate roads and offer easy access to the highway.
