Description:

The office consists of 2 levels and it has an exquisite quality layout for a professional business environment and workspace. This development is located in an easily accessible area - which is only moments away from other significant related infrastructures such as, prestigious business centres, banks and high-class restaurants which are ideal for important professional business meetings. As well it offers sea-view and easy access to the beach which will help you relax after the tough day. With smart home technologies, your possibilities are endless - that is why these technologies are also available in this office. The workplace has been upgraded by adding an array of smart solutions from lighting to audio/video and more. You will add convenience and peace of mind to your daily lifestyle.

Ground Floor area consists of the 4 different zones: Reception, Lounge Area, Meeting Room and Kitchen. Lounge Area might be used as an alternative place to perform the presentations on the big screen while seating in the comfortable lounge chairs, enjoying 4K picture by using Home Theatre system and being warmed up during the winter by Gas Fireplace. Kitchen is equipped with everything that is needed in daily life: Refrigerator, Dishwasher, Microwave Oven and, of course, Coffee Machine. Meeting Room and Reception are equipped with the brand new All-In-One PCs 27'' and 24''. First Floor area consists of the 4 different zones: CEO Room, CFO Room, Work Room and Reception. CEO Room is combined with the Meeting room for the execution of private meetings without any disturbance. As well it is possible to run the presentations on the 4K 65'' TV. This room is equipped with exquisite furniture that will suit the CEO's high-standards and requirements. CFO Room is equipped with the large bookshelf, TV and 24'' All-in-One PC thus offering fully independent workspace. Work Room has two more additional space where it is easy to locate any additional workers e.g. IT Team, Financial department etc.
