## Description:

Situated on one of Cyprus' most beautiful and soughtafter shorelines, this limited collection of new homes is surrounded by expansive terracing with lush planting and ornate pools, all with magnificent uninterrupted sea views. The unrivalled location puts buyers at the heart of everything Limassol has to offer - combining the best of cosmopolitan, global city living with old town charm.

Offering 300 days of sunshine a year and a coastline stretching as far as the eye can see, you may forget you are in a thriving cosmopolitan city that is extremely well connected to Europe, the Middle East and Asia. A stroll through Limassol's elegant old quarter, surrounded by authentic tavernas and a medieval castle, remind you that this is a special place with heritage - a juxtaposition where history and modernity blend seamlessly.

At ground level, the Le Plaza Del Mar is set to become Cyprus' most exciting new mixed-use destination, offering world-class restaurants, a ciga lounge, wine bar and café, alongside the best in designer boutiques and high end retail outlets. The world-class services at Complex are as unobtrusive as possible, while remaining fully accessible. 24 hour services are available from our experienced concierge, always on hand to cater to your requests, from booking restaurants and taxis to organising cleaning services. The residences at Complex are in a secure gated environment, with monitored but discreet security systems. Underground and surface parking is provided to residents and access is strictly controlled, ensuring you can come and go with absolute peace of mind. This inspired collaboration with Complex is bringing Gianfranco

Ferré Home's unique pieces to Cyprus for the first time, exclusively designed for residents of the Complex. Each room has been upgraded to offer the highest specification, with a focus on the finest materials, finishes and furnishing to deliver sophisticated elegance throughout.
