Brand new gated apartment complex was delivered in November 2020, specifically designed to accommodate the expectations of homeowners who value a good quality of life and appreciate everyday modern comforts.

The unique lines of the building and the careful design of the apartments offer comfort and functionality, whereas the high standards in construction and materials used will satisfy those who appreciate quality in living.

Located in the cross-roads of Ayias Fylaxeos and Spyrou Kyprianou (Makedonias Avenue), two of Limassol's major road arteries, in the well-known area of Kapsalos, is a uniquely designed apartment complex consisting of stylish and modern 1, 2, and 3-bedroom apartments. Despite its prime location distance from the major road arteries is adequate to qualify its location as a relatively quiet residential area.

The building consists of 2 apartment blocks, Block A and B. Block A has 2 floors and Block B has an additional 3rd floor with only 2 magnificent 3-bedroom penthouses with spacious roof terraces.
