**Description:**

A contemporary residential project is conveniently located in Linopetra tourist area in Limassol, 700 meters from the beach.

The development offers an impressive lifestyle for those appreciating the comfort of a contemporary gated complex. It is located in one of Limassol's sought-after areas, within a 10-minute walking distance to the beach. Quiet surroundings, proximity to the sea and all city amenities including supermarkets, restaurants, cafes, groceries, banks, pharmacies, provide the ideal conditions for a happy family living. At the same time, due to its favourable location the project guarantees to be a successful investment generating substantial rental yields.

The complex is built on a plot of 1068 m<sup>2</sup> adjacent to the park and consists of a modern 3-storey building with only 8 spacious one-, two-, three- and four- bedroom apartments and penthouses with private pools on the roof terraces. The common areas of the complex include a gym, an electric vehicle charging point and green areas; the residents of the complex have an exclusive right to use the common swimming pool within the neighbouring complex. Each apartment has one storage room and one parking space, while the penthouses have 2 parking spaces each. The apartments offer stunning views to the sea, to the park and to the city.

The contemporary exterior of the project is harmoniously combined with the interior, created by using advanced technologies, modern engineering systems and design solutions. Respectively to the high standard of the project, everything here is done with attention to details, the construction and finishing materials are of the highest quality too.
