Description:

Ultimate privacy in unique complex near the seafront. Separate apartments build with highest standards, so you enjoy privacy. Exclusive architect solution which giving exclusivity of luxury living where none has common walls. Apartment has beautiful panoramic verandas.

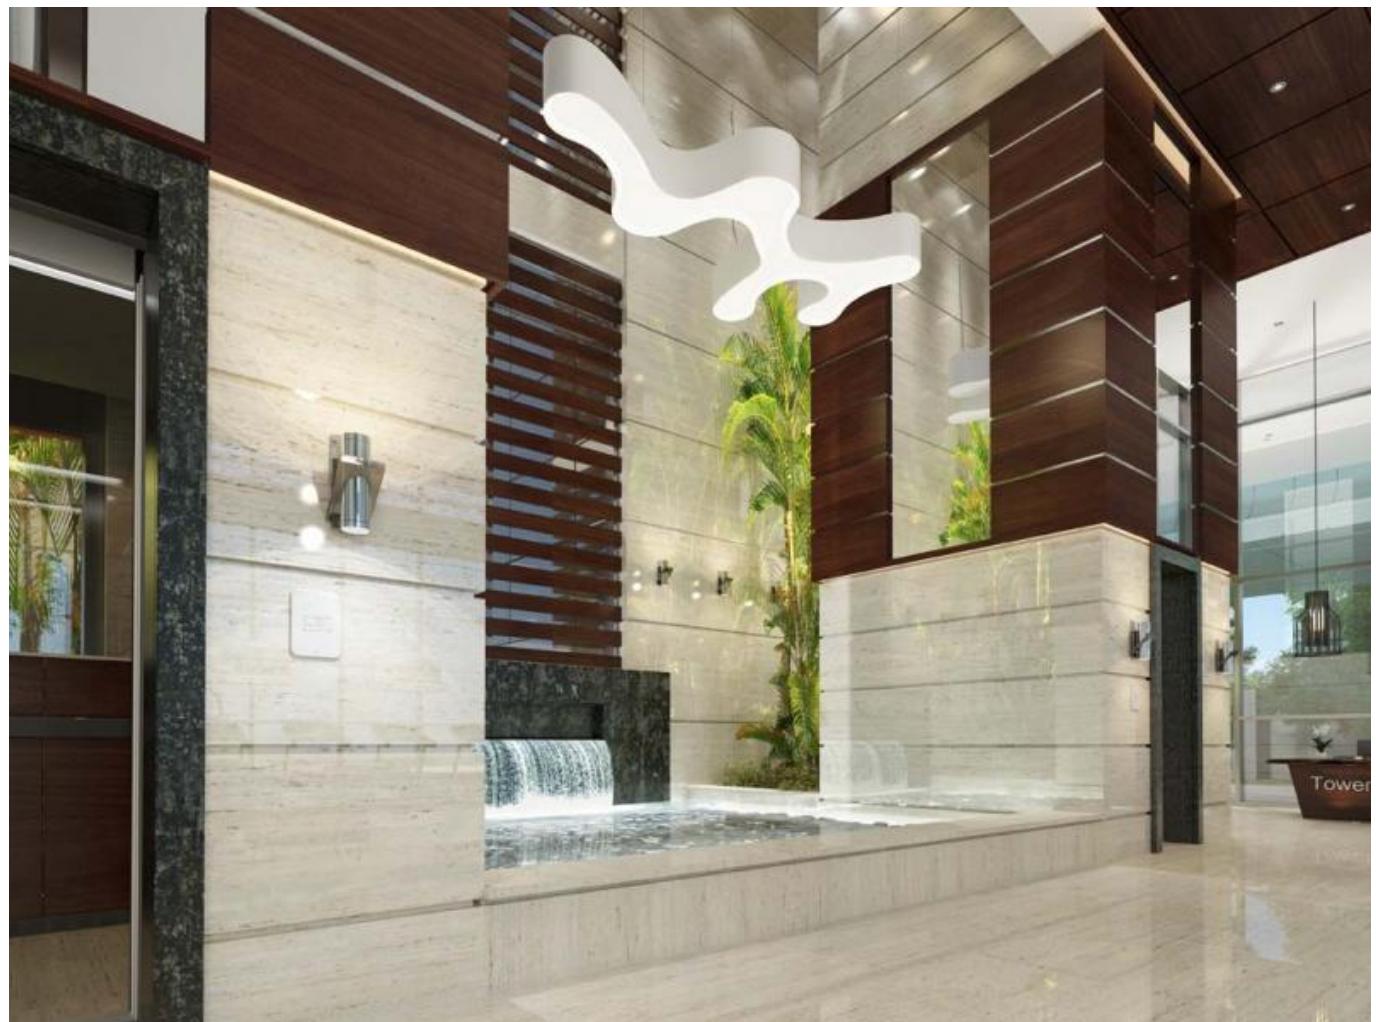

Living space which rise the impression of interplay between architect and design solutions, and the way light and shade express the form of the building, creates a visually-exciting composition. A materials palette of predominantly glass and patinated copper helps to clearly define a concept that is in perfect harmony with sky and sea.
