Description:

Enjoy privacy in unique complex near the seafront. Built with highest standards, so you enjoy ultimate privacy. Exclusive architect solution which giving exclusivity of luxury living where none has common walls. Apartment has beautiful roof garden in 180 sq m.

Living space which rise the impression of interplay between architect and design solutions, and the way light and shade express the form of the building, creates a visually-exciting composition. A materials palette of predominantly glass and patinated copper helps to clearly define a concept is in perfect harmony with sky and sea.

Specially selected materials and colors that bring quality to the well planned spaces. The warm and quiet tones create a harmonious canvas on which residents can display their own taste and personality through their chosen materials, furniture and furnishings. The large full-size windows invite the Mediterranean sun in to light up your life.
