Description:

The complex is an oasis of luxury and comfort in the mountainous area nearby Limassol, combined with a charming view of the surrounding area, is worth your attention.  
If you seek privacy, comfort, and aesthetic pleasure, then you should see the project. It's hard not to fall in love with it.

The newest zero-energy project, complex, makes more power than use. Carefully positioned solar panels over the course of a year reward residents with zero energy bills and a carbon-free home.

The one- and two-bedroom apartments vary in size, allowing prospective clients an abundance of options to choose from. The small number of residences in each building creates a sense of community and neighborliness among residents, as well as a sense of privacy and security, with the added benefit of a comfortably spaced-out home.

Delivery date: Spring 2023
