Description:

The project is situated in the area of Paniotis within the Germasogeia municipality of Limassol. It comprises four premium 3- bedroom apartments, which enjoy a number of benefits that they will offer to their prospective owners.

The four apartments are coupled into two categories: The two Penthouses, with their roof gardens, offering commanding views of the Limassol skyline in the backdrop of the Mediterranean - and the Maisonettes, which will offer their villa-style living with their gardens and pools.

The penthouses are situated in the top half of the building and are split into three levels (levels 4-6). They offer spectacular views of Limassol city.

Delivery Summer 2024

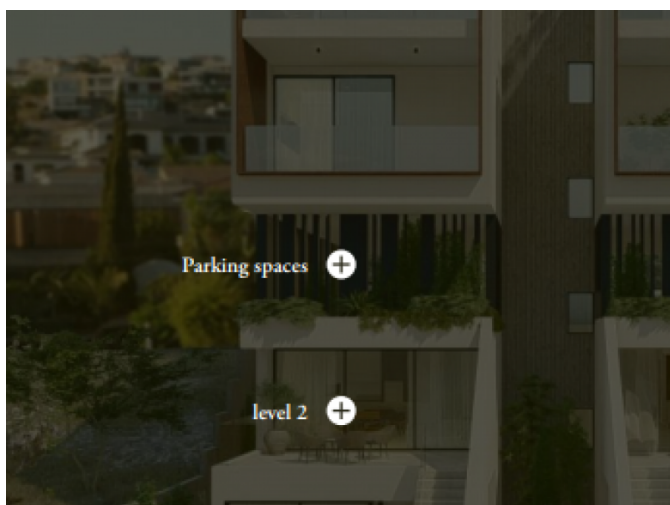

The maisonettes are situated in the bottom half of the building and are split into two levels (levels 1 and 2). They offer large garden space and optional private pools.

The apartments include the following features:

1. One main bedroom with ensuite bathroom and two extra bedrooms with shared bathroom on level 1
2. Kitchen, guest toilet and living room on level 2
3. Private gardens for each maisonette and option for private pool at level 1
4. Internal private staircase connecting level 1 with level 2
5. Two covered parking spaces for each maisonette
6. Completely isolated unit with no common walls or slabs with any other apartment
