Описание:

2 Bed Penthouse in Livadia for sale

The new project is located in Livadia. The modern design of the apartment building emphasizes detail and ensures residents' privacy. It is a two-story building with fifteen comfortable and contemporary apartments. The building is divided into two complexes, one with nine apartments and the other with six, each with its own independent entrance, providing full autonomy.

Each apartment includes a covered parking space and a storage room. The project results from the coordinated design efforts of an experienced team of architects, civil engineers, and interior designers.

BLOCK B

Each floor consists of three two-bedroom apartments, with three of the apartments featuring a private roof garden.
