Описание:

New Apartments in Drosia

This new project stands out as a new landmark development setting high standards for modern-day living in Larnaca. The design of the building is enhanced by the use of state-of-art materials which highlight detail and provide contemporary architecture. This unique four-storey development boasts eight apartments. The first three storeys have two 2-bedroom flats per floor. The fourth floor consists of two 2-bedroom apartments, in addition to their roof gardens offering a fabulous view of the Salt Lake. Connected to the apartments through private exterior stairs, both roof gardens also provide a room with all the necessary provisions for a bathroom. Each apartment has its own storage room and an allocated covered parking space. The Class A Energy Certificate ensures low energy consumption and reduced expenses.
