Описание:

Flats in Aradippou for sale

A modern residential development consisting of a small block of eleven apartments located in the desirable area of Aradippou village. The project offers a mix of thoughtfully designed one- and two-bedroom apartments, ideal for both individuals and families.

Each apartment is carefully planned to maximize comfort and functionality, featuring spacious interiors and contemporary finishes. Every unit includes its own allocated storage room and a covered parking space, providing added convenience and security.

Situated close to a wide range of local amenities, including shops, schools, supermarkets, and easy access to main roads, the development combines peaceful residential living with everyday practicality. This makes it an excellent choice for both homeowners and investors seeking a well-located and low-maintenance property.
