BUILDING FOR SALE IN CENTRAL LARNACA

A rare opportunity to acquire a spacious building in the heart of Larnaca, ideal for investors or developers.

While the building is old and in need of renovation, it offers two excellent options:

Renovate the existing structure to create modern, functional spaces while keeping its character.

Redevelop the site entirely, constructing a new apartment complex to maximize the potential of this prime central location.

Situated in a highly sought-after, high-traffic area, this property is perfect for those looking to invest in Larnaca's city center, whether for rental income, commercial use, or a development project.
