Описание:

3 Bedroom Villa in Frenaros for sale

A true villa, thoughtfully designed and built with care, set on a spacious 551 sq.m. corner plot in a sought-after area on the outskirts of Frenaros. Positioned next to a protected government green area, the property enjoys privacy, open countryside views, and easy access to all nearby towns and amenities.

This impressive 3-bedroom home offers generous living spaces throughout. The ground floor features a bright open-plan layout with a large living room, dining area, and fully equipped kitchen, complemented by a conservatory, a second kitchen/utility room, and a guest WC. Multiple access points lead directly to the garden and pool area, creating a seamless indoor-outdoor flow.

Upstairs, you will find three well-sized bedrooms, including a master with en-suite, as well as a family bathroom. A standout feature is the expansive landing area with its own kitchenette, currently used as a playroom but equally suitable as a home office or multi-purpose space. This area opens onto a large veranda offering beautiful panoramic countryside views.

The outdoor space is equally impressive, with mature landscaped gardens, a Jacuzzi pool, a tiki-style bar with kitchen, spacious covered and uncovered verandas, a double garage, storage areas, and plenty of room for additional development or family use.

Combining space, comfort, and a peaceful setting, this property is ideal for those seeking a private countryside home that remains close to the town center, main roads, and the coast.
