**Описание:**

## Agriculture Land for sale in Anafotia

Agricultural land for sale in the tranquil village of Anafotida, Larnaca, offering a total area of 1,673 sqm. This well-sized plot presents a great opportunity for those seeking a peaceful rural setting with long-term investment potential.

The property benefits from a registered road, ensuring easy and convenient access. It falls within Planning Zone Г3, allowing for agricultural use with specific development parameters, making it suitable for farming, recreational use, or future prospects.

Located in a quiet and scenic area, the land provides a relaxing countryside environment while still being within reasonable distance of nearby villages and essential amenities.

An ideal option for buyers looking to invest in agricultural land or enjoy the natural beauty of the Larnaca district.
