Описание:

Elegant 2 Bedroom Apartment in Livadia with Pool For Sale

Elegant 2-bedroom apartment situated in a secure gated complex of 57 units in Livadia, close to the beach and local amenities. The property offers a bright open-plan kitchen and living area, split-system air conditioning, and independent central heating for comfortable year-round living.

The complex provides excellent communal facilities including a swimming pool, elevator, and children's playground, along with a private storage room and alarm system.

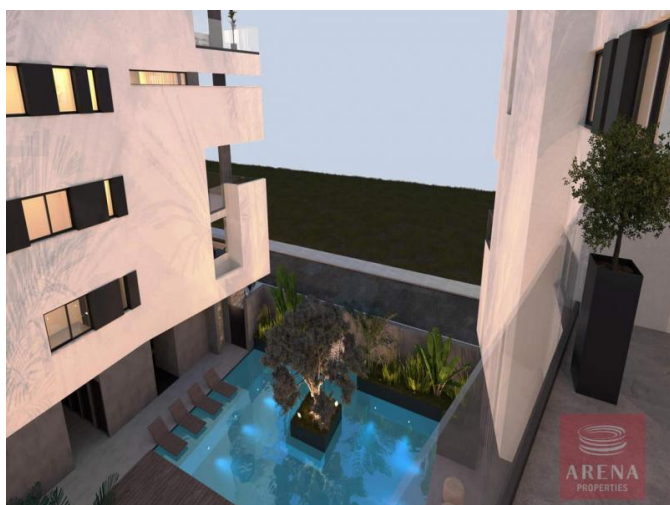

Energy-efficient features include solar photovoltaic panels and a solar water heater.

A spacious balcony with city views completes the home, making it a great option for both residence and investment in a quiet, well-connected location.
