Описание:

Residential Development Land for Sale in Aradippou

An excellent investment opportunity in the rapidly developing area of Aradippou. This sizeable residential plot extends to **2,083sqm** and enjoys a strategic location close to a wide range of everyday amenities, including schools, supermarkets, shops, services, and easy access to the main road network.

Positioned just **4km from the beach**, the property offers the perfect balance between peaceful residential living and convenient access to the coastal lifestyle, making it ideal for residential development or a long-term investment.

The land falls within the **Kα5 Residential Planning Zone**, offering attractive development potential with a **100% building density**, **50% coverage ratio**, permission for **3 floors**, and a maximum building height of **13.5 metres**.

Whether for the construction of residential units, modern family homes, or a boutique residential project, this property presents a rare opportunity in one of Larnaca District's most sought-after and continuously growing residential areas.
