Описание:

Prime Residential land divided into plots for Sale in Kiti

A fantastic opportunity to acquire residential plots in the rapidly developing area of Kiti, ideally situated in a pleasant and family-friendly neighborhood near Kids Play Park.

These plots are conveniently located close to all essential amenities, including schools, supermarkets, shops, restaurants, and everyday services, making them an ideal choice for both homeowners and developers.

The development benefits from **completed land division registration** and **registered road access**, offering a smooth and secure purchasing process. In addition, **architectural plans for modern villas are available**, providing an excellent foundation for immediate development.

Property Highlights

- Residential plots in a growing area of Kiti
- Located near Kids Play Park
- Close to schools, supermarkets, and all amenities
- Registered road access
- Completed land division registration
- Architectural plans for villas available
- Attractive family-oriented neighborhood
- Excellent investment and development potential

An ideal opportunity to build high-quality residential homes in one of Kiti's most promising and expanding locations.
