Apartments in Paralimni for sale

The new project of Apartments are located in Paralimni, but also very close to the Kapparis area. One of the most popular regions of Protaras that is active throughout the year, providing dozens of amenities and entertainment options. The project is on a hill offering unobstructed sea views of Famagusta and Kapparis. The project consists of six blocks of apartments that provide a sense of privacy, comprising 64 apartments with sea views or views of the communal swimming pool. They also include penthouses with a private pool and apartments with a private garden. Built in such a way as to convey the sense of a summer resort, these Apartments stand out for their bohemian minimalist flair, their clear-cut lines and the quality of materials. It's a project that accentuates design while satisfying all contemporary lifestyle needs. The centrepiece of the development is the communal swimming pool, the perfect exotic setting for relaxation, with the big areas of green composing an exclusive scenery that one rarely sees in such projects. The spacious common areas give a sense of openness to the residents, thus making Lifestyle Apartments not only a holiday haven but also the ideal permanent residence. Located between Paralimni and Kapparis, it gives the advantage to each resident to enjoy the magical sea view throughout the year. Apart from that, it offers quick access to the amenities located in the city of Paralimni, while being only a few minutes away from some of the finest beaches in Cyprus, located in Protaras.
